JOIN the CSi - EDP TEAM !!!

The CSi-EDP focuses on community economic development, local family access to financial and educational growth.

It encompasses almost every industry worldwide.

The goal is to connect modern day medicines & therapies, technology, education, research, security, communications, education, food access, construction infrastructure, political science, job creation, financial independence, family values, cultural historical heritage, to the under privileged communities looking to create a better economic environment for their families and their communities.

When we apply the full strength of our extensive list of partnerships, relationships, and agreements along with our advanced technology, we are seriously covering the economic and educational development of almost any community, for any industry, in any country, Worldwide. CSi-EDP.
